

Main Street Bounceback Grant

Now extended through December 31, 2022

The goal of the Main Street Bounceback grant is to provide one-time assistance to new and existing businesses opening a new location or expanding new operations in a vacant commercial building. \$10,000 grants will be awarded to eligible businesses to assist with costs associated with leases, mortgages, operational expenses, and other business costs related to the newly opened location.

Visit our program website at www.nwrpc.com/mainstreetgrant to read through the FAQ's, determine eligibility, view required materials, and download the application. Businesses must be **open and operating at the location that makes them eligible** and meet all other requirements to apply.

Please note, the minimum square footage requirement set forth by the WEDC as of June 1, 2022 is 400 square feet.
