POWER OF ATTORNEY PARTY

Hosted By: Bayfield County DHS Social Services Staff

FREE | 2-PART SERIES | July & August 2022

Yes, you are reading this right...in showing up for this 2-Part workshop and completing the paperwork...you are giving a gift to your family and friends by putting thought into your interests, expectations and what matters most, and spelling out exactly what your health care and financial wishes are if for some reason you become unable to communicate for yourself. Participants must agree to attend both parts of the workshop.

Part I: We will define and describe advanced directives and provide you with a plan to start thinking about the questions you should be considering.
(1 hour)

Part II: We will come back together and review your completed paperwork, provide time for discussion, questions and answers, and have a notary on site to make the paperwork official.
(1 hour)
